

Forest Creation Workshop, Apr 22 – Apr 26, 2019.

Day 1 – Apr 22, 2019:

- 9:00–9:30 Goal setting, introductions and getting to know each other.
- 9:30–10:00 Introduction to the Miyawaki Method of forest creation.
- 10:00–10:30 Glimpses into the journey of Afforestt – triumphs and dreams.
- 10:30–12:00 Learning about Potential Native Vegetation (PNV), species' selection and quantification.
- 12:00–13:00 Site visit to see the forest creation site and assess site-readiness for our new forest.
- 13:00–14:00 Lunch Break
- 14:00–17:00 Visit to Choklam Sar Forest Park.
- 17:00–17:30 Questions and reflections.

Forest Creation Workshop, Apr 22 – Apr 26, 2019.

Day 2 – Apr 23, 2019:

9:00–13:00 Visit to Phyang to identify native species for forest creation.

13:00–14:00 Lunch

14:00–15:30 Learning about Life in the Soil, and soil restoration techniques used in forest creation.

15:30–18:00 Site work – soil assessment, physical texture test, inspection of nourishment materials and biomass mixing.

Forest Creation Workshop, Apr 22 – Apr 26, 2019.

Day 3 – Apr 24, 2019:

9:00–9:30	Q&A
9:30–10:00	Forestsaping – Design aspect of forest creation.
10:00–10:30	Creating a Bill of Materials (BOM) document.
10:30–11:30	Understanding project execution – soil preparation, layering and arranging saplings, and plantation.
11:30–13:00	Work at the site – soil preparation.
13:00–14:00	Lunch
14:00–17:00	Work at the site continues – soil preparation.

Forest Creation Workshop, Apr 22 – Apr 26, 2019.

Day 4 – Apr 25, 2019:

9:00–9:30

Q&A

9:30–12:30

Work at the Site – Sapling layering and arrangement, and plantation.

12:30–14:00

Lunch break

14:00–16:30

Work at the site continues – Plantation, and support stick insertion.

16:30–17:30

Forest creation as an enterprise.

Forest Creation Workshop, Apr 22 – Apr 26, 2019.

Day 5 – Apr 26, 2019:

- | | |
|-------------|---|
| 9:00–9:30 | Q&A |
| 9:30–10:30 | Understanding how to maintain and monitor our forests. |
| 10:30–12:30 | Work at the site – Plantation, support stick work and mulching. |
| 12:30–14:00 | Lunch break |
| 14:00–17:00 | Work at the site continues – Plantation, support stick work and mulching. |
| 17:00–18:00 | Way-forward and closing thoughts. |
